ROCKVILLE, Md., June 23, 2009—Montgomery County District 1 Councilmember Roger Berliner is inviting residents to join him at 7:30 p.m. on Monday, June 29, at the Potomac Library as a continuing part of his series of “Conversations With Councilmember Berliner.”

At the community meeting, Councilmember Berliner, whose district includes Bethesda, Cabin John, Chevy Chase, Friendship Heights, Garrett Park, Glen Echo, North Bethesda, Potomac, Randolph Hills and Somerset, will host an informal discussion of issues of interest to local residents.

The Potomac Library is located at 10101 Glenolden Drive in Potomac.

“I enjoy these informal meetings with residents of District 1. There may not be a better setting for me to learn about concerns—and to be able to update residents on issues before the County Council,” said Councilmember Berliner, who is a member of the Council’s Public Safety Committee and the Transportation, Infrastructure, Energy and Environment Committee, where he is the lead member for energy and the environment. “At the Potomac Library meeting, we will discuss local issues important to residents such as planning and zoning projects, traffic and transportation concerns, and public safety. I hope neighbors will come ready to talk. I will be ready to listen and respond.”

For more information on the meeting, call 240-777-7828.
